

Radnor Youth Lacrosse 3rd and 4th Grade Deliverables

Main objective is to make lacrosse inclusive and fun.

Lacrosse is a skill game; the best players are the most skilled players. Great skills are born from **REPTITION** and proper **TECHNIQUE**. The end goal is for players to **EXECUTE** all skills at **FULL SPEED** and **UNDER PRESSURE**.

SIZE OF STICK - Length no bigger than 37". Head Width at least 6" across the top at the widest. Thinner shafts are available but not necessary. Price should not exceed \$80, [click here for complete youth sticks](#). Defensive long poles between 47" and 52".

POCKET - A properly strung pocket should provide a quick release, a fast track. Proper stringing is crucial to making lacrosse fun and easy to learn.

GRIP - stick is loose in fingertips, stick should sit in the upper 50% of the hand. Strong fingers, soft hands.

TEACH 80% STRONG HAND, 20% OFF HAND – start to learn the same skills with off hand. Make it look the same. Use strong hand to power the mechanics.

SCOOPING GROUNDBALLS - The ball is on the ground for large percentages of live games, it is extremely important that proper techniques are taught and executed. **TOP HAND ON THE PLASTIC, BOTTOM HAND NEAR THE BOTTOM, BOTH HANDS BELOW YOUR KNEES**. Gain control, keep running and clear your stick until you can pass it to an open player.

CRADLING - stick head tilted up, arms move in rhythm. Two hand horizontal cradle, One hand vertical cradle. Tight wrist cradle.

PASSING - stick starts on collarbone, point the laser, point elbow, **PUSH PULL MOTION**, snap bottom hand down, both hands finish same side, (stick head, top hand and bottom hand start and finish on the same side) step, move, transfer weight toward target. point stick head to target with top hand, Constant movement **RUN** until you catch and **RUN** until you pass.

CATCHING - PRESENT YOUR STICK - Stick head up and out in front, set up a target, top hand up on the plastic, top hand out front. Look the ball into your stick, see the ball into your stick.

"CUSHION CATCH" : give with the flight of the ball, catch it deep and cushion the ball.

DODGING - BEAT YOUR MAN, SCORE A GOAL, run at and past defenders, stick up by head, top hand up on the plastic, run full speed, catch and accelerate. Start with studder, jab, wind up, face dodge, bull dodge. Double threat dodges, Triple threat dodges. Combinations of both.

SHOOTING – the difference between great players and average players is shooting. Just start with teaching an overhand 12 to 6 stick path, shoot the pipes, paint the pipe and basically trying to get the ball on the goal and make the goalie make a save, **AIM SMALL, MISS SMALL**.

OFFENSE - Motion Offense from 1 3 2, Open set offense, two endline plays, two man up plays

DEFENSE – two hands on your stick, no one hand checks, position defense only, stay in between man and goal, hands wide on shaft, **PUSH CHECK, JAM** and **LIFT**. Approach in **NUGGET, POKE, JAM**.
